Mr. Clay Shaw
Program Chairman
Foreign Policy Association
of New Orleans
New Orleans, Louisiana

Dear Mr. Shaw:

Thank you for your letter of 22 August concerning the possibility of my addressing the Foreign Policy Association of New Orleans at some future date.

As I told Jesse Core, I am unable to make a definite commitment at this time. However, I have your invitation in mind and I hope that my duties here will allow me to get away sometime later this year.

Sincerely,

SIGNED
